Saturday: Groups 2-3-9-10

Sunday: Groups 1-4-5-6-7-8

Dear Exhibitor

The Dansk Kennel Klub welcomes you to this year's first CACIB show, which takes place in the Dronning Margrethe Hallen in Fredericia.

We are pleased to send you: receipt - your dog's number - plan of the show area - list stating rings, number of dogs and start order. As a rule-of-thumb, the speed of judging is about 20 dogs per hour. However, it is the exhibitor's own responsibility to be present when the dog's number is called. Moreover, the DKK also reserves the right to make alterations in the order of succession of the judging.

You can read about the DKK show regulations at the DKK website: www.dansk-kennel-klub.dk.

Please remember to bring your receipt, number, pedigree and vaccination certificate. (The dog must have a valid rabies vaccination that has been given at least 21 days prior to departure).

At the entrance, the received number must be shown; this is also valid as admittance card for the rest of the day. Admission is free for one person per dog. Others must buy tickets. **Only entered dogs are admitted.** If asked to do so, receipt, pedigree and vaccination certificate must also be shown.

THE ENTRANCE OPENS AT 08.30 - THE JUDGMENTS START AT 10.00

All breeds will be judged indoors: Rings A 1 – A 18 will be in hall A. Rings C 19 – C 24 and the Main Ring will be in hall C. The trade stands will be in hall A.

Shooting tests for German Shepherd dogs and Rottweilers will take place at 9.45.

In case your dog is to compete during the afternoon in the main ring, an advance judging will take place in the pre-judging ring, which will be situated next to the main ring. It will be announced in the loud speakers, but please be prepared in good time. The order of succession can be seen in the catalogue.

The order of succession of the *group competitions* in the main ring will at this show be the following: Saturday: 2-3-10-9. Sunday: 5-8-7-6-4-1.

It is unfortunately not possible to set up seats by the ring sides. Instead, you are welcome to bring a collapsible chair. However, **chairs, cages, tables, etc. must be placed at least 1 metre from the ring sides and must not be inconvenient to anybody.**

We would like to draw your attention to the fact that complaints and the like regarding the show can only be considered if they are presented to the show management on the day of the show. **Written complaints must be accompanied by a fee of DKK 500.00, which will be returned, if the show management finds for the complainant. If not, the fee goes to the organising club. The decision of the show management can be brought before the DKK general committee. Complaints received later than on the day of the show are not considered.**

Please remember: It goes without saying that everybody helps keeping the area tidy by cleaning up after themselves and their dogs. Please use the **rubbish bins** that have been placed all over the show area. This also applies for dog hair, etc. if you have cut, trimmed or groomed your dog.

As dog shows are popular targets for pickpockets and the like, we advise you not to leave your money and other valuables unattended at any time.

Important – Re: Cropping and docking

Ear cropping

All ear cropped dogs born after 30 June 2009 cannot be shown regardless of the dog's country of birth. Cropped dogs born before 1 July 2009 can only be shown if the dog has been born in a country where ear cropping is permitted. (Danish bred ear cropped dogs born after 1 January 1985 cannot be shown). It may be possible to procure further information at the show secretariat regarding the state of affairs of ear cropping in other FCI countries.

Tail docking

Tail docked dogs born after 1 June 1996 cannot be shown, regardless of the dog's country of birth. The prohibition also includes dogs that have been docked for veterinary reasons, irrespective of whether a veterinary certificate is presented. The following breeds are excepted from the tail docking prohibition: *Brittany spaniel, German shorthaired pointer, German wirehaired pointer, Vizsla and Weimaraner.*

If a dog has been *born* stump-tailed (with a natural bobtail) it must as far as *Danish bred dogs* are concerned appear from the dog's pedigree certificate. As far as *foreign-bred dogs* are concerned, a veterinary certificate *issued in English* in the country where the dog has been bred must be presented, certifying that the dog has been *born* stump-tailed.

For dogs born after 1 October 2004, only the following breeds can have inserted in the pedigree certificate that the dog has been born stump-tailed (with a natural bobtail): Australian shepherd, Australian Stumpy Tail Cattle Dog, Brittany spaniel, Boston terrier, Bourbonnais pointing dog, Bouvier des Flandres, Croatian sheepdog, Danish/Swedish farm dog, English bulldog, Entlebucher sennenhund, French bulldog, Gos d'Atura catala, Jack Russell terrier, Karelian bear dog, King Charles spaniel, Mudi, Old English sheepdog, Perro de agua espanol, Polski Owczarek nizinny, Pyrenean shepherd dog, Pyrenean sheepdog (smooth faced), Swedish vallhund (Västgötaspets), Schipperke, Terrier Brasileiro, Welsh corgi Pembroke.

Dogs without tail or with only a part of the tail born after 1 October 2004 of all other breeds than the above (and of course Brittany spaniel, German shorthaired pointer, German wirehaired pointer, Vizsla and Weimaraner which are excepted from the docking prohibition) are considered missing a part of the body and consequently they cannot be shown (must be disqualified).

Furthermore, according to Danish legislation removal of dewclaws with the purpose of changing the dog's appearance is forbidden. As legislation regarding docking/other surgical interventions varies from country to country, the judge must not when judging consider whether the dog has in accordance with the breed *standard* been docked or had its dewclaws removed.
