

## Descriptions of the Nordic Class exercises

All exercises can be performed with the dog on the left or the right side of the handler.

Fluent exercises from 1 point signs (105-113) can be performed in slow pace or fast pace. The sign before the fluent 1 point signs decides which pace the exercise is performed in.

All exercises in which the dog is directed to the front of the handler, end with the dog on the left as instructed in the exercise.
