

DANSK KENNEL KLUB INTERNATIONAL CACIB SHOW on 9-10 February 2019
in Messe C Fredericia, Vestre Ringvej 101, DK-7000 Fredericia
Saturday: Groups 1-3-4-5-6-8 - Sunday: Groups 2-7-9-10

Dear Exhibitor

The Dansk Kennel Klub welcomes you to this year's first CACIB show, which takes place in the Messe C in Fredericia.

We are pleased to send you: receipt - your dog's number - plan of the show area - list stating rings, number of dogs and start order. As a rule-of-thumb, the speed of judging is about 20 dogs per hour. However, it is the exhibitor's own responsibility to be present when the dog's number is called. Moreover, the DKK also reserves the right to make alterations in the order of succession of the judging.

You can read about the DKK show regulations at the DKK website: dkk.dk.

Please remember to bring your receipt, number, pedigree and vaccination certificate. (The dog must have a valid rabies vaccination given at least 21 days prior to departure).

At the entrance, the received number must be shown. Admission is free for one person per dog. Others must buy tickets. **Only entered dogs are admitted.** If asked to do so, receipt, pedigree and vaccination certificate must also be shown.

THE ENTRANCE OPENS AT 08.30 - THE JUDGINGS START AT 10.00

All breeds will be judged indoors.

Rings A1 – A16 and the Main Ring will be in hall A. Rings C17 – C22 will be in hall C.

The DKK information stand and shop will be in hall A (by the entrance).

On the ring lists, the letter in front of the ring number indicates the hall: For example, ring A1 is in hall A – and ring C21 is in hall C. The Main Ring (and pre-judging for the main ring) will be in hall C. (You can find a plan of the halls on the DKK website about 10 days before the show).

Electronic catalogue

As of this year, printed catalogues are no longer available at DKK shows. Instead, the catalogues will be available online from the websites dkk.dk and hundeweb.dk from 2 hours before the judgings start, i.e. from Saturday morning at 08.00 hrs.

At the information stand by the entrance to hall A, it will be possible make look-ups in the catalogue. The staff in the stand will be ready to help.

Electronic critiques and results

As of 1 January 2015, the DKK has introduced a new IT-system where the dog's result and the judge's critique is typed directly into the DKK registration system, while the judging is proceeding in the rings. Critiques and show results will then be available at the result page of the public www.hundeweb.dk as soon as the judging of the breed has finished in the ring. The dog's critique will also be available on "My Page" and "My Entries".

This means that you can see the result and the critique immediately after the judging, if you have brought a smart phone or tablet to the show and have access to the internet.

It will also be possible to receive the dog's critique as text message, if you have chosen this service in connection with the entry.

As the critiques are registered electronically and will be available on the internet, they will no longer be handed out on paper.

Results and critiques for the show in Fredericia 2019 will be available at the following link:

Finals

In case your dog is to compete during the afternoon in the main ring, an advance judging will take place in the pre-judging ring, which will be situated next to the main ring. It will be announced in the loud speakers, but please be prepared in good time. The order of succession can be seen in the catalogue.

The order of succession of the *group competitions* in the main ring will at this show be the following:

Saturday: 1-3-4-5-6-8. Sunday: 2-7-9-10.

Worm treatment 10.30-11.00 or 13.30-14.00

Exhibitors returning to countries that require a tapeworm treatment before entering the country in question can consult the show veterinarian Saturday/Sunday **between 10.30 and 11.00 or between 13.30 and 14.00** for worm treatment and the required paperwork for the dogs involved. The dog owner must pay a fee of **DKK 250.00** (exclusive of pills) for the consultation. Dog owners can bring their own pills. *Further information about the veterinary regulations appears from the websites of the veterinary authorities of the respective countries.*

DKK breed winners 2018

The winners of the title "DKK Breed Winner 2018" can collect a rosette in the DKK shop. The DKK congratulates the winners.

Visit our DKK stand for children and new breeders in hall A

As something new, we have this year a stand for children and for new breeders at our shows. Here you can bake your own dog biscuits, play games, draw and paint. You can meet nice dogs. You can read books about dogs and watch films. Moreover, it is possible to have a talk about choice of breed and dog breeding. It is also possible to take part in a breeding quiz. Please bring the whole family for a nice weekend.

Important – Re: Cropping and docking

Ear cropping

All ear-cropped dogs born after 30 June 2009 cannot be shown regardless of the dog's country of birth. Cropped dogs born before 1 July 2009 can only be shown if the dog has been born in a country where ear cropping is permitted. (Danish bred ear cropped dogs born after 1 January 1985 cannot be shown). It may be possible to procure further information at the show secretariat regarding the state of affairs of ear cropping in other FCI countries.

Tail docking

Tail docked dogs born after 1 June 1996 cannot be shown, regardless of the dog's country of birth. The prohibition also includes dogs that have been docked for veterinary reasons, irrespective of whether a veterinary certificate is presented. The following breeds have been exempted from the tail docking prohibition: *Brittany spaniel, German shorthaired pointer, German wirehaired pointer, Vizsla and Weimaraner.*

If a dog has been *born* stump-tailed (with a natural bobtail), it must as far as *Danish bred dogs* are concerned appear from the dog's pedigree certificate. As far as *foreign-bred dogs* are concerned, a veterinary certificate *issued in English* in the country where the dog has been bred must be presented, certifying that the dog has been *born* stump-tailed.

For dogs born after 1 October 2004, only the following breeds can have inserted in the pedigree certificate that the dog has been born stump-tailed (with a natural bobtail): Australian shepherd, Australian Stumpy Tail Cattle Dog, Brittany spaniel, Boston terrier, Bourbonnais pointing dog, Bouvier des Flandres, Croatian sheepdog, Danish/Swedish farm dog, English bulldog, Entlebucher sennenhund, French bulldog, Gos d'Atura catala, Jack Russell terrier, Karelian bear dog, King Charles spaniel, Miniature American Shepherd, Mudi, Old English sheepdog, Perro de agua espanol, Polski Owczarek niziny, Pyrenean shepherd dog,

Pyrenean sheepdog (smooth faced), Swedish vallhund (Västgötaspets), Schipperke, Terrier Brasileiro, Welsh corgi Pembroke.

Dogs without tail or with only a part of the tail born after 1 October 2004 of all other breeds than the above (and of course Brittany spaniel, German shorthaired pointer, German wirehaired pointer, Vizsla and Weimaraner which are excepted from the docking prohibition) are considered missing a part of the body and consequently they cannot be shown (must be disqualified).

Furthermore, according to Danish legislation removal of dewclaws with the purpose of changing the dog's appearance is forbidden. As legislation regarding docking/other surgical interventions varies from country to country, the judge must not when judging consider whether the dog has in accordance with the breed *standard* been docked or had its dewclaws removed.

Be responsible!

The exhibitors are responsible for safeguarding the welfare of the dogs at dog shows. It is forbidden to put the dog in a situation that can be dangerous for its health and welfare, such as leaving it in the car in hot or cold weather and/or treating it in a cruel manner.

A dog must be shown in such a way that the dog's welfare and health is not ignored.

All dogs must be walked outdoors regularly during the show.

Keep the area tidy

Please remember: It goes without saying that everybody helps keeping the area tidy by cleaning up after themselves and their dogs. Please use the **rubbish bins** that have been placed all over the show area. This also applies for dog hair, etc. if you have cut, trimmed or groomed your dog.

If you trim or groom your dog by the ringside, you should bring an underlay (sheet, blanket, tarpaulin or the like) to place under the grooming table, so that you can easily pick up dog hair, etc. and put it in the bin.

As dog shows are popular targets for pickpockets and the like, we advise you not to leave your money and other valuables unattended at any time.

Tables, chairs, cages, etc.

It is unfortunately not possible to set up seats by the ring sides. Instead, you are welcome to bring a collapsible chair. However, chairs, cages, tables, etc. must be placed at least 1 metre from the ring sides and must not be inconvenient to anybody.

Worth knowing – about changing classes

The exhibitor's choice of class on-line or at the entry form is *binding*.

After the closing date, it is not possible to move a dog from one class to another unless it is a matter of an administrative error made by the show organizer.

It is the dog owner's responsibility that the dog fulfils the conditions to take part in the class that the dog has been entered in. If the dog has been entered in a class for which it is not qualified according to the show regulations, the organiser is not obliged to return the entry fee, although the dog consequently cannot take part in the show.

Change of class at the show can happen only, if it can be ascertained that the show organizer has made an error or if there is a printing error in the catalogue. In these cases, the exhibitor must apply to the organizer before the show or to the show office before the judgings start.

In case a dog qualifies for participation in the working class or the champion class *after* the closing date, the dog must stay in the class it was originally entered in.

Prizes

The winners of Very Promising (in the baby class or puppy class), Excellent or Very Good, and winner of progeny or breeding class with prize of honour will receive a prize coupon in the ring. This prize coupon will represent a value of 25 Danish kroner. The exhibitors can then use the prize coupon as full or partial payment for articles in the trade stands that are included in the prize system. (The trade stands in question will appear from the displaying at the show). Furthermore, the prize coupons can be used in the DKK shop with all the Dansk Kennel Klub articles.

Cash dispenser/Card payments

Please note that there is **no cash dispenser in the Messe C.**

It is possible to pay with credit/debit cards in the DKK information stand and the DKK shop, but it is not possible to take out large amounts of cash for "pocket money" or other purposes.

The trade stands have been informed that they should be able to receive card payments.

Complaints

We would like to draw your attention to the fact that complaints and the like regarding the show can only be considered if they are presented to the show management on the day of the show. A fee of DKK 500.00, which will be returned if the show management finds for the complainant, must accompany written complaints. If not, the fee goes to the organising club. The decision of the show management can be brought before the DKK general committee. Complaints received later than on the day of the show are not considered.

Camping

It will NOT possible to camp in connection with the show area or parking area. Instead, please contact the following tourist offices/websites for camping reservations:

Fredericia Tourist Office – tel. +45 7211 3511 – www.visitfredericia.com

www.danskecampingpladser.dk - www.campingferie.dk - www.visitdenmark.com

Changes

Please note! If we have to make changes in the ring lists etc., they will be published at our website.
