on Saturday 2 November and Sunday 3 November 2019 (Danish Winner Show)
in the MCH MESSECENTER HERNING, Vardevej 1, DK-7400 Herning
Saturday: All groups - Sunday: All groups**

Dear Exhibitors

The Dansk Kennel Klub welcomes you to this year's last two CACIB shows, which take place in the MCH Messecenter Herning.

We are pleased to send you: receipt - your dog's number - list stating rings, number of dogs and start order. As a rule-of-thumb, the speed of judging is about 20 dogs per hour. However, it is the exhibitor's own responsibility to be present when the dog's number is called. Moreover, the DKK also reserves the right to make alterations in the order of succession of the judging.

You can read about the DKK show regulations at the DKK website: www.dkk.dk.

Please remember to bring your receipt, number, pedigree and vaccination certificate. (The dog must have a valid rabies vaccination that has been given at least 21 days prior to departure).

At the entrance, the received number must be shown; this is also valid as admittance card for the rest of the day. Admission is free for one person per dog. Others must buy tickets. **Only entered dogs are admitted.** If asked to do so, receipt, pedigree and vaccination certificate must also be shown.

**THE ENTRANCE OPENS AT 07.30 - THE JUDGINGS START AT 09.00
All breeds will be judged indoors.**

The DKK Information stands will be in hall C and in hall F. The trade stands and the DKK shop will be in hall C.

On the ring lists, the letter in front of the ring number indicates the hall: For example ring C1 is in hall C – and ring H57 is in hall H. **The Main Ring will be in hall E, the pre-judging for the finals will be in hall F.** (You can find a plan of the halls on the DKK website about 1 week before the show).

Electronic catalogue

As of 1 January 2018, printed catalogues are no longer available at DKK shows. Instead, the catalogues will be available online from the websites dkk.dk and hundeweb.dk from 2 hours before the judgings start, i.e. from Saturday morning at 07.00 hrs.

At the information stands in hall C and hall F, it will be possible make look-ups in the catalogue. The staff in the stands will be ready to help.

Electronic critiques and results

As of 1 January 2015, the DKK has introduced a new IT-system where the dog's result and the judge's critique is typed directly into the DKK registration system, while the judging is proceeding in the rings. Critiques and show results will then be available at the result page of the public www.hundeweb.dk as soon as the judging of the breed has finished in the ring. The dog's critique will also be available on "My Page" and "My Entries".

This means that you can see the result and the critique immediately after the judging, if you have brought a smart phone or tablet to the show and have access to the internet.

It will also be possible to receive the dog's critique as text message, if you have chosen this service in connection with the entry.

As the critiques are registered electronically and will be available on the internet, they will no longer be handed out on paper.

Results and critiques for the double show in Herning 2019 will be available at the following link:

Saturday: <https://www.hundeweb.dk/udstilling-resultat/udstilling/191009/>

Sunday: <https://www.hundeweb.dk/udstilling-resultat/udstilling/191010/>

Worm treatment

Exhibitors returning to countries that require a tapeworm treatment before entering the country in question can consult the show veterinarian **in hall C Saturday/Sunday between 10.30 and 11.30 or between 13.00 and 14.00** for worm treatment and the required paperwork for the dogs involved. The dog owner

must pay a fee of **DKK 250.00** (exclusive of pills) for the consultation. (The amount is per owner). Dog owners can bring their own pills. *Further information about the veterinary regulations appears from the websites of the veterinary authorities of the respective countries.*

Important – Re: Cropping and docking

Ear cropping

All ear cropped dogs born after 30 June 2009 cannot be shown regardless of the dog's country of birth. Cropped dogs born before 1 July 2009 can only be shown if the dog has been born in a country where ear cropping is permitted. (Danish bred ear cropped dogs born after 1 January 1985 cannot be shown). It may be possible to procure further information at the show secretariat regarding the state of affairs of ear cropping in other FCI countries.

Tail docking

Tail docked dogs born after 1 June 1996 cannot be shown, regardless of the dog's country of birth. The prohibition also includes dogs that have been docked for veterinary reasons, irrespective of whether a veterinary certificate is presented. The following breeds are excepted from the tail docking prohibition: *Brittany spaniel, German shorthaired pointer, German wirehaired pointer, Vizsla and Weimaraner.*

If a dog has been *born* stump-tailed (with a natural bobtail) it must as far as *Danish bred dogs* are concerned appear from the dog's pedigree certificate. As far as *foreign-bred dogs* are concerned, a veterinary certificate *issued in English* in the country where the dog has been bred must be presented, certifying that the dog has been *born* stump-tailed.

For dogs born after 1 October 2004, only the following breeds can have inserted in the pedigree certificate that the dog has been born stump-tailed (with a natural bobtail): Australian shepherd, Australian Stumpy Tail Cattle Dog, Brittany spaniel, Boston terrier, Bourbonnais pointing dog, Bouvier des Flandres, Croatian sheepdog, Danish/Swedish farm dog, English bulldog, Entlebucher sennenhund, French bulldog, Gos d'Atura catala, Jack Russell terrier, Karelian bear dog, King Charles spaniel, Miniature American Shepherd, Mudi, Old English sheepdog, Perro de agua espanol, Polski Owczarek niziny, Pyrenean shepherd dog, Pyrenean sheepdog (smooth faced), Swedish vallhund (Västgötaspets), Schipperke, Terrier Brasileiro, Welsh corgi Pembroke.

Dogs without tail or with only a part of the tail born after 1 October 2004 of all other breeds than the above (and of course Brittany spaniel, German shorthaired pointer, German wirehaired pointer, Vizsla and Weimaraner which are excepted from the docking prohibition) are considered missing a part of the body and consequently they cannot be shown (must be disqualified).

Furthermore, according to Danish legislation removal of dewclaws with the purpose of changing the dog's appearance is forbidden. As legislation regarding docking/other surgical interventions varies from country to country, the judge must not when judging consider whether the dog has in accordance with the breed *standard* been docked or had its dewclaws removed.

Worth knowing – about changing classes

The exhibitor's choice of class on-line or at the entry form is *binding*.

After the closing date, it is not possible to move a dog from one class to another unless it is a matter of an administrative error made by the show organizer.

It is the dog owner's responsibility that the dog fulfils the conditions to take part in the class that the dog has been entered in. If the dog has been entered in a class for which it is not qualified according to the show regulations, the organiser is not obliged to return the entry fee, although the dog consequently cannot take part in the show.

Change of class at the show can happen only, if it can be ascertained that the show organizer has made an error or if there is a printing error in the catalogue. In these cases, the exhibitor must apply to the organizer before the show or to the show office before the judgings start.

In case a dog qualifies for participation in the working class or the champion class *after* the closing date, the dog must stay in the class it was originally entered in.

Prizes

The winners of Very Promising (in the baby class or puppy class), Excellent or Very Good, and winner of progeny or breeding class with prize of honour will receive a prize coupon in the ring. This prize coupon will represent a value of 25 Danish kroner. The exhibitors can then use the prize coupon as full or partial payment for articles in the trade stands that are included in the prize system. (The trade stands in question will appear from the displaying at the show). Furthermore, the prize coupons can be used in the DKK shop with all the Dansk Kennel Klub articles.

Cash dispenser/Card payments

Please note that there is **no cash dispenser at the show area in Herning**.

It is possible to pay with credit/debit cards in the DKK information stands in hall C and hall F and in the DKK shop in hall C, but it is not possible to take out large amounts of cash for "pocket money" or other purposes.

The trade stands have been informed that they should be able to receive card payments.

Tables, chairs, cages, etc.

It is unfortunately not possible to set up seats by the ring sides. Instead, you are welcome to bring a collapsible chair. However, chairs, cages, tables, etc. must be placed at least 1 metre from the ring sides and must not be inconvenient to anybody.

Out of consideration for the cleaning and the security, we please ask you not to leave your belongings in the halls between Saturday and Sunday.

Keep the area tidy

Please remember: It goes without saying that everybody helps keeping the area tidy by cleaning up after themselves and their dogs. Please use the **rubbish bins** that have been placed all over the show area. This also applies for dog hair, etc. if you have cut, trimmed or groomed your dog.

If you trim or groom your dog by the ringside, you should bring an underlay (sheet, blanket, tarpaulin or the like) to place under the grooming table, so that you can easily pick up dog hair, etc. and put it in the bin.

As dog shows are popular targets for pickpockets and the like, we advise you not to leave your money and other valuables unattended at any time.

Be responsible!

The exhibitors are responsible for safeguarding the welfare of the dogs at dog shows. It is forbidden to put the dog in a situation that can be dangerous for its health and welfare, such as leaving it in the car in hot or cold weather and/or treating it in a cruel manner.

A dog must be shown in such a way that the dog's welfare and health is not ignored.

If the show management or the show veterinarian find that it will be irresponsible to leave dogs in the cars, it will be announced in the loud speakers 1 or 2 times. If the dogs are not removed from the cars immediately, the matter will be passed on to the police. If your car is air conditioned, please put up a sign about this in the car window.

Complaints

We would like to draw your attention to the fact that complaints and the like regarding the show can only be considered if they are presented to the show management on the day of the show. Written complaints must be accompanied by a fee of DKK 500.00, which will be returned, if the show management finds for the complainant. If not, the fee goes to the organising club. The decision of the show management can be brought before the DKK general committee. Complaints received later than on the day of the show are not considered.
